*Making mowing easier.®*

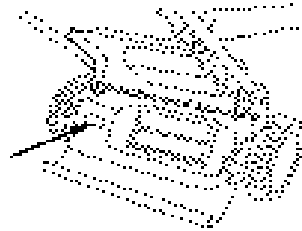

## Product Safety Information

In co-operation with the Consumer Product Safety Commission, Lawn-Boy® and American Honda Motor Co. are voluntarily recalling Lawn-Boy Gold Series® Mowers with the electric start Honda engine.

PRODUCT: 2004 Lawn-Boy 22" mowers with the electric start Honda engine.

<u>Model</u>	<u>Serial number range</u>
10656	240000001- 240999999

### Problem:

The engine stop switch can fail so that the engine will not stop when the safety bail is released. As the blade is turning along with the engine there is a potential safety hazard.

### What to do:

Stop using the mower immediately; contact a local Lawn-Boy Authorized Service Dealer to have the switch replaced at no charge for parts or labor.

### To Locate a Dealer: U.S. and Canada:

Return to the home page and click on "Where to get service" under Service and Support on the left side of the screen. Enter your zip (postal) code for the names of the dealers near you. You can also call toll free 1-800-299-7386.
