The Perfect Boat, Built Exclusively For Honda.

Choosing the right boat doesn't have to be overwhelming. That's why Honda is introducing our new Honda Seabrook Series Boats, built exclusively for Honda by Scout. Seabrook Series Boats are designed to be easy to own, easy to operate, and easy to love. Buying your Honda Seabrook Series boat is simple, too, thanks to a straightforward, user-friendly shopping process that helps you choose the boat that's right for you. Seabrook Series packages are available with premium equipment and features, making it easy and hassle-free to find the boat of your dreams.

Exceptional Performance

Seabrook Series Boats are powered by Honda BF150 high-performance outboards. Inspired by the Honda Accord automotive engine, the BF150 delivers fuel efficiency, smooth operation, and legendary Honda reliability.

Center And Dual Console Model Configurations

Honda Seabrook Series Boats are offered in Center Console or Dual Console configurations, with a total of five exciting lifestyle and features packages. The Center Console model is ideal for anglers and is available in Base, Sport, or Fishing packages. The Dual Console model is designed for recreational boating and family fun and is available in Base and Sport packages.

Easy To Shop

Honda brings its highly successful "build and price" method of automotive shopping to the boating industry. Using a clear and informative web site, consumers can boat shop from the comfort of their own homes. Simply choose the model and features package that's right for you, view your boat, and add options with the touch of a button. Then you can apply for financing and submit your boat to the nearest Honda Marine dealer for a price quote. Once you've made your purchase, delivery is arranged, and the fun begins!

Easy To Own & Operate

Seabrook Series Boats feature an easy-to-operate, dashboard-style helm with a tilt steering wheel. You'll enjoy effortless, automotive-style driving, thanks to Honda's innovative **Intelligent Shift & Throttle® (iST®)** drive-by-wire system, **BayStar™ by Dometic®** hydraulic steering, and the **SeaStar™ by Dometic®** standard trim tab system with an intuitive dial controller. Variable speed trolling, enhanced docking, and slow speed control add to ease of operation. The helm also features a **Garmin® 9" SONAR/GPS** display, customizable **Honda Marine Interface (HMI)**, and much more.

Seabrook Series Boats provide room for up to seven passengers and can be **towed with a V6-powered SUV or minivan**; no truck required!† At 19.5', they are also easy to store, **fitting most 24' garages.**** The Seabrook Series is easy on the wallet, too, offering fuel efficiency up to 5.29 mpg at 33 mph/4500 RPM.†

Features You'll Love

Seabrook Series Boats are loaded with features, including UV-protected, high-quality upholstered seats and cushions with **Honda logo embroidery**, and **exclusive Honda hull color combinations**. Standard on every model is a **Garmin Fusion® 25-watt RMS/50 peak stereo with four 6" speakers**, **Bluetooth®** connectivity, and optional satellite radio subscription. You'll also get ample cup and fishing rod holders, illuminated rod storage, and a rear swim platform with ladder, along with many other amenities and your choice of dealer-installed accessories.

Ample Honda Power

Honda Seabrook Series Boats are matched with dependable, powerful **Honda BF150** outboards for reliable, worry-free boating. These quiet, fuel-efficient engines feature Honda's famed **VTEC® Technology** for power where and when it's needed, **Boosted Low Speed Torque (BLAST™)** for explosive hole shots, and **Lean Burn Control**, which enhances the BF150's best-in-class fuel efficiency.

The Honda BF150 is covered by Honda's industry-leading True 5 Warranty, providing five full years of transferable, non-declining, limited warranty coverage.††

Honda Makes Dream Boats Come True

Why put off the dream of boat ownership any longer? Honda makes it easy to choose, own, operate, and most of all, enjoy your boat.

Don't just go boating. Go Honda!

* Always check your vehicle owner's manual to ensure proper towing capacity.

** Excluding Seabrook Series Boats with a T-Top.

† Seabrook 195CF performance report testing based on 20 gallons fuel load and 2 passengers.

Actual performance may vary due to changes in weather and water conditions, elevation, and load.
